HealthReach welcomes Jessica Krol, Family Nurse Practitioner, to the Richmond Area Health Center

RICHMOND – Please join the Richmond Area Health Center in welcoming Jessica Krol, FNP. Jessica looks forward to providing medical care to the residents of the Richmond area. Her experience comes from a variety of medical settings, from larger hospitals to rural health centers.

Jessica obtained her Master of Science in Nursing degree at Husson University in Bangor, and her undergraduate nursing degree at Saint Joseph College, CT. She has worked in the demanding environment of a Level 1 Trauma Center, and possesses a background that spans adult, pediatric, and family medicine. Most recently, Jessica completed a 19-week preceptorship at the Richmond Area Health Center and trained under nurse practitioner Tom Bartol. Jessica has shown to be a tremendous asset to the HealthReach team.

Jessica joins physicians Linda Hermans and Henry Scheuller, and nurse practitioners Melissa Hackett and Tom Bartol. Our clinicians offer medical and behavioral health services and proudly serve patients of all ages. Area residents and visitors from Richmond, Gardiner, Litchfield, Dresden, Bowdoinham - as well as Augusta and surrounding communities - have utilized this health center since its founding in 1977.

Richmond Area Health Center is a part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers located across Central and Western Maine. Dedicated providers deliver high quality medical and behavioral healthcare to citizens in over 80 rural communities. To ensure access to everyone, HealthReach accepts Medicare, MaineCare, and major insurance providers. In addition, an Affordable Care Program is available to both uninsured and underinsured residents. Assistance is available for applications to programs that help with the cost of your healthcare and medications, including the Health Insurance Marketplace.

A private non-profit with a 46-year history, HealthReach is funded by patient fees, grants, and by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$4,815,606 with 82.2 percent financed with non-governmental sources.
